

ZENITH DIRECTOR PLUS and DIRECTOR PLUS (C) LAPTOP

Multi-Function, Multi-Tasking Laptop

Multi-Function, Multi Tasking

The Director Plus range is the ultimate in Mobile Computing. It offers a large LCD Screen along with Advanced Graphics Options for a complete Desktop Type Experience, while maintaining the mobility of a Laptop.

Based on the absolute latest chipset from Intel, the Intel GM45, it packs a lot of punch, be it for running Graphic Presentations or calculating complex spreadsheets with macros, this is a ideal tool for managers at all levels. The superior chipset also provides Intel® Clear Video Technology for excellent video quality

The Director Plus has an option of Processors – from Celeron to Pentium Dual Core to Intel Core2Duo – thus making it the most flexible laptop available in the country today.
