

## ZENITH SMART STYLE PC

### *The All-in-One, Power Saving PC*

Zenith Computers Ltd. – the pioneer in Indian PC industry brings another first to your work environment – and indeed to the world environment – the environment friendly Smart Style PC, which is nothing but a 17” LCD Screen with the PC Motherboard built-in!!!

Some of the highlights:

- Standard Memory – 1 GB – upgradeable to 2 GB
- Standard Hard Disk – 160 GB – upgradeable to 320 GB
- Choice of Dual Core or Core2Duo CPUs – to perform all your tasks in a jiffy!
- DVD Writer Option
- Extremely light weight
- Can be mounted vertically on a wall, horizontally below a glass table or as a standard table top
- It has a unique thermal design
- It is RoHS compliant
- Power Consumption - <45 Watts!

Not only does it operate at less than 45 Watts (compared to a regular PC which requires about 180 Watts!!) – helping in minimising the Greenhouse Effect, but in the bargain also saving huge amounts of money from going down the socket – but it also saves on real estate and is stylish to ogle at.

So go ahead and splurge – but not on power or space anymore!

*Our Service Offerings are beyond the “Standard”*
